

Under sunny skies and light to breezy winds, the BHSU Disc Golf Club hosted the Final Fling Disc Golf tournament on Saturday, April 27, 2013 on the campus disc golf course. Due to the new dorm construction, six disc golf holes will be re-located. This tournament is so named because the original 1995 layout will be played for the final time.

A total of 34 disc golfers participated in two divisions and played one round of 18 holes, par for the campus course is 54. Lane Prang, Rapid City, aced Hole 1 on his first throw of the tournament. All tournament players received a golfing disc courtesy of the BHSU Disc golf club. The Spearfish Disc Golf Association provided club tee shirts as prizes.

The event raised funds for the BHSU Disc Golf club for the campus course re-location expenses and a 5 year sponsor sign at the Spearfish Canyon disc golf course.

Scores for both divisions:

<b>Advanced Division</b>	<b>Score</b>	<b>Hometown</b>
